

# Environmental Policy

**Guppy Plastic Industries Sdn. Bhd.,**  
recognise our responsibility to contribute  
towards environmentally sustainable  
development through our commitments:

**G**ear towards full compliance with  
environmental legislation and other  
applicable requirements;

**U**se energy and raw materials efficiently;

**P**revent pollution by applying  
environmentally friendly technologies and  
work practices;

**P**rovide resources for the implementation of  
this policy;

**Y**earn for continual improvement in our  
system and environmental performance;

**We strive to improve the quality of life for  
our employees, business partners and the  
future generations.**
